Dear Mr Bin Haja Najimudin,

As French Ship "Latouche-Tréville" is leaving the Malacca Straits, I would like to express my sincere thankfulness and appreciation for the great support the ship and crew received on the occasion of her call in Penang from the 27th May to the 2nd of June.

I am very satisfied with the level of service provided to the ship by your company.

In addition, I am particularly grateful for your commitment regarding our sailor, Mr D'Hervé, who was severely injured in a road accident during the call. Indeed, I am aware that you contributed in a decisive way in dealing with the situation.

Thanks for your personal involvement.

Yours, sincerely

*Captain Matthieu Dejour
